Sophisticated, Professional and Institutional Investors Only

Directors: Ken Stratton, Mark Lorenzetti, Mohammad Salamat Ali

Exit Strategy: Public Listing of Channel 2 Fiji Limited for the purpose of acquiring Channel 2 Pty Ltd in approximately 2 years

Pool Filter Wizards Pty Ltd

Pool Filter Wizards Pty Ltd. This Coffs Harbour, NSW, based business has developed a unique pool filter bag, designed to capture particulates in commercial and residential swimming pools and spas down to one micron in size. The filter bags have proven popular in early testing and customer satisfaction is extremely high. Funds are sought to fully commercialise the product, and to take it to a national and global market. There are also opportunities within the company for further research and development of filtration products.

Pool Filter Wizards offers pool owners a unique product, which is Australian made and owned, and capable of removing algal blooms, trace metal elements and other particulates, such as plant matter from swimming pools and spas. Pool Filter Wizards is also capable of saving considerable litres of water per annum.

Investment Required: Round 1 \$400,000
Round 2 \$200,000

Minimum Investment: \$10,000

Now Open for Investment

A Small Scale Offering

Directors: Rod Barrett and Rod Cross. Directorship opportunity is available to suitably qualified investors
